After three years of hard work and much prayer, **Amazing Grace Christian Radio is now broadcasting from Kigali, Rwanda!** We want to publicly thank Gene Sharp, Eric Damron, Paul Williams, Thom Williams, and especially George Zarris who organized and helped to raise funds for the radio station. These five men came and spent two weeks here to install the equipment and to train our workers. It was a great blessing to have some American fellowship, and the children really enjoyed having them here as well.

We also want to thank the many people and churches that gave donations and love gifts for the radio. **Your gifts are helping to reach 16,000,000 souls.** We sat down with George Zarris to calculate exactly what areas the station would broadcast to and then found population maps to get the number for each area. We found it will reach 9,000,000 in Rwanda, 4,500,000 in Burundi, 2,000,000 in Tanzania, and 500,000 in Democratic Republic of Congo (DRC) and Uganda. This is actually a conservative number. No wonder Satan has been fighting so hard all this time.

Please pray as we still have much work to do. I have been spending 12-14 hours a day at the studio to get the programming organized and on the air. We also need \$2,250 for the frequency license for this year and \$1,800 for another government fee. We still need \$4,000 to buy additional deep-cell batteries to continue broadcasting during power outages.

Thank you so much for all the cards and packages for our birthdays and Christmas. In the last three months, we have seen 268 saved out soul winning, 60 saved in church, and 10 baptized. Without your prayers and support, we could not reach the souls that are being reached in Rwanda.

In His service,

Gregg Schoof
