Dear Faithful Supporters,

By supporters we mean, you who faithfully hold the ropes on the home-front through prayer and/or monthly financial gifts! To one and all we wish you a heartfelt MERRY CHRISTMAS & HAPPIER NEW YEAR THAN EVER, from our very thankful hearts for you standing with us all these years. Debbie and I both turned 70 this year and still plan to keep on keep'n-on till the Lord says otherwise.

This Christmas, our oldest daughter Dionne, has three grown children, who will spend it with us. Which makes us very thankful. Blake (his eye procedure success we believe happened because of prayer, thanks!), Adam, & Audrey, making the most of their visit, they made a trip to Machu Picchu this week. Including their visit, all 10 of our grandkids have come at one time or another to Peru to visit us in 2024! So pray for the 3 here now, plus: Emily, Autumn, Nate, (and the 4 youngest named in order pictured) Josiah, Malachi, Taylor, & Arya. All of them live stateside while we still live & minister in Peru.

The Iglesia Biblica in Lima had a sion Biblica side of Lima helped the five in the pool Wednesday

Bautista La Molina service at the Mis-Bautista camp outlast Sunday and I pastor to baptize there at the camp. night 12 new members were accepted into the church membership.

In November we had to move the Project Peru 23rd anniversary celebration to a week later, which affected attendance, but we still had a great spirit and great teaching and a chef-prepared great meals. Since the last letter I have preached in at least 11 different churches and am genuinely concerned about the lack of decisions surrendering for full time ministry, be it bible college, pastoring, youth ministry, or even missions.

Just think what we can do together,

The Harmons
