Serving in Germany
Since October 1997

Thank you, once again, for taking the time to read our Prayer Letter and pray for us here in Germany.

The rebuilding continues. As the summer came to a close we lost a large number of people due to the Military rotation system. Normally we will lose only a few families each year. But from time to time that number is increased as rotation dates are matched with more families. That is what happened this year. Our church lost all the main positions in the church to include Sunday school teachers, nursery workers, most of our givers, piano player and even our Deacon rotated out. What an opportunity to see what the Lord can do! We are seeing the Lord bring in both military and German visitors and more people are encouraged to pass out tracts and invitations at work and around the community. And though our general giving is down our missions giving has stayed consistent. We will continue our ef-

orts to invite people and get the gospel to as many as possible throughout our community. Just last Sunday a German lady inquired about being baptized. Please Pray

Look What God Can Do!!!

that our meeting with her goes well. With all this going on, God saved a young lady! We have been praying for her for over 5 years!

Her name is Paris. Amir, her husband, came to Germany as a refugee from Iran about 6 or 7 years ago. While he was going through the process to be allowed to stay in Germany the Pastor before us met him and led him to Christ. Since that time he has grown and become more and more faithful to church. After Amir gained permission to stay in Germany he sent for Paris. When Rose and I came to ABC, one of the first things Amir told us was his wife's need to be

saved. We witnessed to her and prayed for her but she refused to respond. She did not want to leave her Muslim upbringing. Then God worked a miracle! At our recent Missions Possible retreat Paris came with Amir on one of the first days. While there Paris began to speak with long time missionary Sandy Hastings. Miss Sandy asked Paris out for coffee and during that meeting Sandy was able to lead Paris to Christ! Praise the Lord!!! Since that day an amazing change in Paris accrued. She is faithful to all the services, reads her Bible continually and asks great questions about things she reads. She truly is a "New Creature" for Christ!!! Please pray for Amir, Paris and their 2 children as they now grow in the Lord as a family.

The Christmas season is upon us and we have several events planned at church with the effort to glorify the Lord and see people reached for Christ. Please pray we will see things only God can do in the lives of people here in Germany. Rose and I are praying for you as well!!!

Thank You for ALL You Do!!!
